### **About Freedom Community Park Inc.**

The Hamilton Heights Youth League and Scotland Broncos Youth League are combining their efforts on the project, which they will call Freedom Community Park. They have lined up 39 acres at Kenny Gardens near the future location of the Cumberland Valley Animal Shelter. The Hamilton Township and Scotland youth organizations had been looking for land for playing fields for their respective leagues for years, but about a year ago decided to combine efforts and try to get enough land in the Cumberland Valley Business Park to serve the needs of both organizations. They plan to put in a stadium with between five and seven baseball fields and up to nine all-purpose fields for sports such as football, lacrosse and soccer. After the complex is finished, they have hopes of opening it up for all of Franklin County's use. Senator Richard Alloway II and Letterkenny Army Depot have joined together in creating a September 11th fundraiser to benefit the planning and building of Freedom Community Park.
